

# **Live Web Broadcast: Doing Business in Iraq January 5, 2004**

*The U.S. Commercial Service Ankara has organized a live web broadcast on "Doing Business in Iraq". A U.S. Commercial Service officer will make an hour of presentation on the potential concerns of companies when they open a business in Iraq; security situation, traveling and transportation options, customs requirements and import duties, taxes, insurance and all other necessary information for doing business in the region. It will be a live question and answer session. Everyone will be able to watch it live on January 5<sup>th</sup> at 5:00 pm Ankara time and 10:00 am Eastern time at the Ankara World Trade Center's website: [www.wtcankara.org.tr](http://www.wtcankara.org.tr).*
